EXPERIENCE

Musea Lab - Nashville, TN — *Lab Technician/Web Developer*

MARCH 2018 - PRESENT

At Musea I'm responsible for producing high quality print products, with a high attention to detail. As well as providing exceptional customer service to our clients. As a small, fast growing company, I get to wear many hats and contribute to many parts of the business.

Aabon Home Health - Ozark, AL — *Driver/Technician*

MARCH 2013 - 2017

At Aabon I was able to use my passion for helping others by delivering and instructing patients on how to use various medical equipment such as: Electric Wheelchairs, Hospital Beds, Hoyer Lifts, Oxygen, Lift Gates and many more. It was a true pleasure to bring solutions to those in need.

EDUCATION

Vanderbilt Coding Bootcamps - Nashville, TN — *Certification*

FEBRUARY 2022 - JULY 2022

Immersive training program with an emphasis on Fullstack Web Development

Troy University - Troy, AL — *General Studies*

AUGUST 2011 - MARCH 2013

- 48 Credit Hours Completed
- Sound of the South Marching Band
- Lambda Chi Alpha Fraternity

LATEST PROJECT

The Story Keepers — *A Social Network for Readers*
